Individual Written Notice of Financial Assistance

It is the policy of the City of Eugene Fire and EMS that no person will be denied needed emergency medical care because of an inability to pay for such services.

Our practice abides by the contractual and legal obligations of health benefit plans to collect charges, co-pays, co-insurance and deductible amounts owed by patients. Recognizing that circumstances may arise where an individual is unable to pay in full at the time of service, we have adopted a policy of screening requests for forgiveness of debt based on individual circumstances in relation to the Federal Poverty Guidelines. To do this, we must ask for certain financial information. All information will be held confidential according to our privacy policy.

If you think you may be eligible for Financial Assistance, please complete and sign the application **on the reverse side of this page** and provide as many of the following supporting documents as you are able (minimum of two):

1. Most recent W-2 withholding statement
2. Unemployment check stubs for past 90 days
3. Paycheck stubs for the past 90 days for all persons employed in the home
4. Income tax return (most recent signed)
5. Any other pertinent information that will aid in the City of Eugene Fire and EMS's decision-making process (i.e., hospital charity care confirmation, a letter from a third party such as a social worker, or a letter from the patient attesting to their hardship)

Please mail your Financial Application and all supporting documents to:

PO Box 3510

You will be notified of any reduction in your bill once the City of Eugene Fire and EMS has reviewed your application.
